SUPPLEMENTAL/BID BULLETIN

ADDENDUM NO. 1

REF: 300 units 4 x 2 Ambulance (Lots 1, 2 and 3)

Per Memorandum dated May 11, 2009 of the Technical Working Group, and after the evaluation of the BAC, this Addendum is issued to clarify and/or amend some provisions in the bid documents and to inform all the prospective Suppliers on the new schedule of activities for the procurement of 300 units 4x2 Ambulance (Lots 1, 2, and 3). This shall form an integral part of the Bid Documents, to wit:

Eligibility Requirements:

1. Class "A" Technical Documents No. 8, the 3 years existence prior to advertisement and/or posting of IAEB is in accordance with GPPB Resolution No. 07-2006 dated January 20, 2006.

The 3-year existence requirement may include international status.

2. Class "B" Documents No. 16(f), List of Service Centers and Spare Parts Dealers and/or Service Agreement/s with other providers located in major urban areas nationwide.

Technical Requirements:

1. Under page T-54 of the bid documents regarding the Body and Chassis, the requirements call for a unibody model, any change in this would not be consistent with the technical specifications.
2. Under page T-54 of the bid documents, regarding the Dimensions, the technical requirements with reference to dimensions are not subject to change and must strictly be complied with.
3. Under page T-56 of the bid documents, c.2 regarding the Floor Mounted Oxygen Tank (20lbs.), the two (2) ten lbs. oxygen tanks are not the same as a single 20 lbs. oxygen tank which is called for in the technical specifications.
4. Under Page T-56 of the bid documents, Service Centers and Spare Parts Dealers and/or other providers with Service Agreement/s must have available spare parts and accessories accessible in strategic locations nationwide.

It is also stressed that as long as the minimum requirements of the PCSO are met, specifications which can be considered as additional upgrade within the approved budget for the contracts (ABCs) are acceptable.

There should be a separate and distinct Cash Bond, Credit Line Certificate, and Bid Security for each and every lot to be participated in by the prospective bidder/supplier.

Ambulance units shall be delivered to the PCSO Main Office subject to the availability of space. Otherwise, the other units shall be delivered at the warehouse for safe-keeping.

The new schedule for this project shall be as follows:
