**SUBJECT** : **Distribution of Hygiene Kits to First Love International Ministries (Phils.) Inc.**

**DATE** : March 24, 2025

## AFTER ACTIVITY REPORT

In celebration of National Women's Month, the Philippine Charity Sweepstakes Office (PCSO), through its Gender and Development (GAD) Program, distributed hygiene kits to 20 children and 27 youth under the care of Love Ministries, International, an organization dedicated to helping survivors of sexual abuse and exploitation. The initiative was conducted in partnership with Love Ministries, International, led by its Asst. Executive Director, Mary Ann A. Nerval, RSW, MPA, Assistant Director, as part of PCSO's commitment to supporting vulnerable women and children.

Heading the distribution was PCSO GAD Focal Person, Atty. Anna Liza P. Inciong and Jocelyn H. Goronio, Head of GAD Secretariat, joined by Amor B. Tanguilig and Ana Margarita D. Vergabera, staff from the Charity Assistance Department's Institutional Partnership Program. The hygiene kits, containing essential self-care items, aim to promote dignity, encourage self-respect, and reinforce the right to health and personal well-being among these young survivors. This effort underscores the importance of protection against gender-based violence, and empowerment of women and children in difficult circumstances.

By supporting initiatives like this, PCSO continues to extend its assistance beyond medical aid, ensuring that those in need receive holistic support for their recovery and reintegration into society.
