On June 10, 2017, the Philippine Charity Sweepstakes Office travelled to the Municipality of Aliaga, Nueva Ecija for the formal turnover of an ambulance unit. PCSO General Manager Alexander F. Balutan together with Cabanatuan Branch Manager, Reynaldo Martin attended the ceremony held at the Aliaga Municipal Gymnasium at 10:00 am. GM Balutan, notably from neighboring Municipality of Zaragoza was well received by the locals of Aliaga as he shared his childhood memories growing up in the area. GM said that it felt like during the old days and giving back to his community in any way possible is very important to him.

Before the ceremonial blessing of the ambulance and the official turnover, PCSO also brought and handed out cheques as STL shares for the month of May. Seven out of the thirty two municipalities were present during the event including representatives from the PNP Regional/Provincial Office and the CIDG Regional/Provincial Office who got their respective STL shares for the Month of May.

GM Balutan also stressed the importance of the public's patronage of PCSO's game products such as lotto, sweepstakes and the newly expanded Small Town Lottery (STL). "Refrain from playing illegal number games because it does not give back to the interest of the people. We at PCSO assure you that a portion of the money you pay to play our games signifies that the agency already sets aside a budget for charitable programs such as free ambulance, free medical equipment, endowment fund and most importantly, the Individual Medical Assistance Program." "Dito na tayo sa legal, may tsansa na kayong maging milyonaryo at sigurado na balik kawang gawa ang inyong tinaya", said GM Balutan.
