Romulo Sapitulla, Assistant General Manager for Branch Operations Sector Ms. Remeliza Jovita M. Gabuyo, Northern and Central Luzon Department Manager Leila D. Galang and Ilocos Norte PNP Provincial Director PSSupt. Cesar R. Pasiwen during the Sama-samang Talakayan at Linawan.

To report latest accomplishments and updates, the Philippine Charity Sweepstakes Office (PCSO) once again conducted the *Sama-samang Talakayan at Linawan*, a forum that serves as the Agency's venue to deliver its message to the Filipino people and to respond to any pressing issues. The forum was held on July 18, 2018 at Fort Ilocandia Hotel Resort in Laoag, Ilocos Norte.

General Manager Alexander F. Balutan led the said forum. He was assisted by the Chief of Staff of the Office of the Chairman Mr. Ted Quiaño, Assistant General Manager for Branch Operations Sector Ms. Remeliza Jovita M. Gabuyo, Northern and Central Luzon Department Manager Leila D. Galang, Charity Sector Representative Dra. Krisch Trine Ramos, Region 1 PNP Director PCSupt. Romulo Sapitulla, and Ilocos Norte PNP Provincial Director PSSupt. Cesar R. Pasiwen. Also present during the activity were

PCSO Branch Managers of Northern and Central Luzon, officers of Philippine National Police (PNP), representatives of local government officials of the municipalities of Ilocos Norte and friends from the media.

The 2nd Quarter Accomplishment Report of PCSO as well as that of the Northern and Central Luzon (NCL) Branch were presented during the forum. Some of the questions raised by the media in the open forum were about the current issues concerning the Agency, such as the findings released by the Commission on Audit (COA) and the statement given by President Duterte about illegal gambling.

In his closing remarks, General Manager Balutan stated that the 24% increase in PCSO's revenue is a proof that the Agency, under the present Board, is on the right track of hitting its 60 Billion target by the end of this year. He also

mentioned that the 6.2. Billion revenue in Small Town Lottery (STL) is a testament of PCSO's success in implementing STL across the country and the government's fight against all forms of illegal numbers game. *"I must say that the big leap of PCSO's STL revenue is also attributed to the aggressive efforts of our partners in the Philippine National Police in going against operators and kabos of all illegal numbers game nationwide and to the cooperation of our local government officials in allowing the entry and operations of STL in their respective jurisdiction and to the public in general for accepting and patronizing STL,"* said GM Balutan.

He ended up his message by asking media friends and partners to help disseminate to our countrymen the PCSO's programs and projects that will benefit them, as well as the Agency's accomplishment under President Duterte.

PCSO, DOH, DSWD AND PHILHEALTH SIGNS JOINT ADMINISTRATIVE ORDER ON STREAMLINING ACCESS TO MEDICAL ASSISTANCE FUNDS OF THE GOVERNMENT

On behalf of PCSO General Manager Alexander F. Balutan, OIC-AGM for Charity Sector, Mr. Rubin C. Magno (right) joined (L-R) Jose Reyes Memorial Medical Center Chief Dr. Emmanuel F. Montaña, Presidential Assistant for Special Concerns Mr. Wendel Avisado, Department of Health (DOH) Secretary Francisco T. Duque III, MD, MSc, Department of Social Welfare and Development (DSWD) Acting Secretary Ms. Virginia N. Orogo and Philippine Health Insurance Corporation (Philhealth) Vice President for Corporate Affairs Dr. Shirley B. Domingo in the ceremonial signing of the Joint Administrative Order on Streamlining Access to Medical Assistance Funds of the Government.

The Philippine Charity Sweepstakes Office (PCSO) together with the Department of Health (DOH), Department of Social Welfare and Development (DWSD) and the Philippine Health Insurance Corporations (Philhealth) signed the Joint Administrative Order in Streamlining Access to Medical Assistance Funds of the Government. The ceremonial signing activity was held on July 13, 2018 at the OPD Conference Room of Jose Reyes Memorial Medical Center.

OIC-Assistant General Manager for Charity Mr. Rubin Z. Magno represented General Manager Alexander F. Balutan in the said activity. With him is Board Secretary Atty. Wesley A. Barayuga who delivered the PCSO's message on behalf of Chairman Anselmo Simeon P. Pinili.

He also encouraged partners to work together for the successful implementation of the joint administrative

PCSO Explains Ph20 Consolation Prize is not a Balik-taya

Philippine Charity Sweepstakes Office (PCSO), on July 23, 2018 implemented a new price scheme in view of the imposition of 20% Documentary Stamp Tax brought about by the recent implementation of the Tax Reform and Inclusion (TRAIN Law), which took effect last January, 2016.

PCSO General Manager, Alexander F. Balutan earlier said that the agency has no option but to abide by the law and increase its ticket prices for Lotto (P20 to P24), Digit Games and Keno (P10 to P12) and Sweepstakes (P5 to P6).

The new ticket prices particularly on Lotto and Digit Games opened up the issue on “balik-taya.” a term used by the playing public when they get 3 correct numbers.

Looking back, on May 13, 2013, PCSO introduced a new prize structure for its popular Lotto games. The new prize structure was arrived at after long and care-

ful study of methods that would increase the amount allotted to the Charity Fund from the revenue generated by PCSO from its gaming products. In the said structure the low tier prize or the fourth prize (when a player gets 3 correct numbers) happens to be the same as the amount paid by the player which is Ph20.00. All Lotto games then was fixed at P20, thus the public’s connotation of “balik-taya.” The “balik-taya” was never included in the prize structure. There is no such prize as “balik-taya.”

Today, with the new ticket prices, the low tier prize of Ph 20.00 for getting 3 correct winning numbers still applies.

Finally, GM Balutan calls on the gaming public, lotto agents, PCSO partners and friends from the media to refrain the use of “balik-taya” as there is no such prize as “balik-taya.” He stressed that “balik-taya” is not one of the prizes under the approved prize structure. The fourth prize or consolation prize is still Ph 20.00.

order because this will serve as their significant contribution to the Philippine Development Plan of President Duterte Administration.

The Joint Administrative Order in Streamlining Access to Medical Assistance Funds of the Government was issued to define the roles of government agencies like DOH, PCSO and DSWD in augmenting the financing provision of the “No Balance Billing (NBB) Policy for Case Rates and Z Benefits and outline a streamlined process for accessing these funds by the members and dependents. Under its guidelines, the medical cost will be covered by Philhealth, PCSO, and the DOH- Medical Assistance for indigent patients’ program. In the order of charging, PCSO is the fourth, which means PCSO will only come in after the deduction of Philhealth, Private Health Insurances and Mandatory Discounts and Benefits. On the other hand,

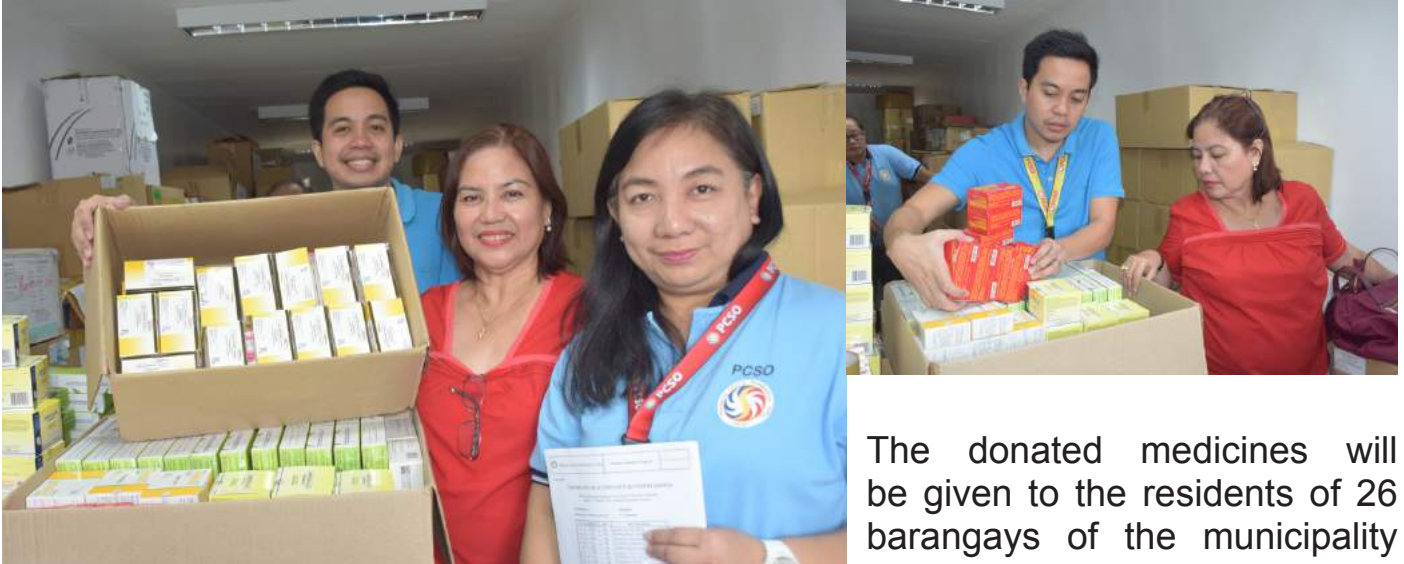

non-medical cost such as transportation shall be covered by the DSWD. The said joint administrative order is actually the legal basis of the Malasakit Center which was launched in Visayas mid last year.

The Malasakit Center will house the mentioned government agencies to streamline the process for patients in availing financial assistance. *(by: Roselle S. Dela Umbria / Photo by: Arnold T. Ramos)*

GM BALUTAN LEADS LTOPF CARAVAN IN PCSO

Leila Valencia / Photos by Ericson delos Reyes

Photo shows, General Manager Alexander F. Balutan applying for LTOPF, assisting him is the team leader of LTOPF Caravan SPI Ruben Feliciano and Joaana Alfon of the Directory Intelligence Clearance Office.

The Philippine National Police (PNP) Firearms and Explosives Office (FEO) Caravan was conducted an onsite application and renewal for Permit to Carry Fire Arms Outside Residence (PTCFOR), License to Own and Possess Firearms (LTOPF), Provisional LTOPF and Firearms Registration to officials and employees (gun holders) of the Philippine Charity Sweepstakes Office (PCSO) last July 27, 2018 at the 9th floor, Sun Plaza Building Mandaluyong City.

In an effort of GM Balutan to assist PCSO employees who are gun owners or those who want to obtain firearm license, he instructed the PCSO Shooting Team to coordinate with the PNP FEO to conduct an LTOPF Caravan in PCSO.

In response, the Philippine National Police launched a caravan to make it easier for gun owners to apply for the new type of firearm license without having to go to Camp Crime in Quezon City. Among the PNP units that provided support services are the Firearms and Explosives Office (FEO), Directorate for Intelligence, Health Services, Crime Laboratory Services and Finance Service.

*Embodied in **Republic Act 10591**, an act providing for a comprehensive law on firearms and ammunition and providing penalties for violations, thereof Article II, Section 7, which provides that apart from registering a gun, a gun owner also needs a permit to carry it outside his place of residence.*

Under the new gun control law, all firearm owners—even those with current gun licenses—are required to first obtain an LTOPF, which is similar to a driver's license, before they can own a gun. Under the old system, a gun owner got licenses and permits to carry for each gun.

Hence, the law clearly provides that a gun holder needs to obtain a Permit to Carry License if they want to carry a firearm outside their residence in order to prevent being penalized or imprisoned or both.

PCSO employees during the step-by-step process of LTOPF application.

The services offered by the PNP personnel are online applications for LTOPF, onsite applications for PTC and LTOPF, firearms renewal, transfer and registration, neuro-psychiatric (interview and exam), PNP Directorate for Intelligence (DI) clearance and drug test.

The new system, according to PSI Ruben Feliciano of FEO, is faster and more efficient, and gun owners will no longer have to pay “fixers” to facilitate the release of their gun licenses.

Meanwhile, a seminar on responsible gun ownership and firearms safety handling as part of the requirement was conducted by Gun Safety & Responsible Gun Ownership (GSRGO) and accredited to issue the corresponding certificate required for the application of License to Own and Possess Firearm.

HELP ME BUILD A COUNTRY

“I am here to correct order in my beloved country. Many will stop me, many will go against me and many will try to kill me because my principles and dignity over on how to fix this country.

But if God bless me with your help, I might change this country that you all be proud of, and my legacy will extend far beyond next Filipino generation.”

PRESIDENT RODRIGO ROA DUTERTE
